With reference to your letter No I 1221/M1 113-42-9 dated 29th July 1942, calling for the opinion of the Municipal Council, Mandya, on the petition - submitted by the Hotel Keepers of Mandya Town, I have the honor to forward herewith a copy of the report together with the resolution of the Municipal Council, Mandya, received from the President, Mandya Municipality

2 The Municipal Council at their meeting held on 7th August 1942, have resolved that the license fee fixed in Government Order No L 4367-68/M1 56-40-73 dated 25th November 1941 may be revised fixing the maximum and minimum fees at Rs 40/- and Rs 10/- respectively

In this connection I wish to state that the license fee now fixed by the Municipal Council seems to be quite reasonable and may be adopted

3 The President reports that all the bakeries, sweet meat shops and some of the hotels and coffee clubs have already reneved the licenses and that no action has been taken against those who have not renewed the licenses

4 I request you kindly to obtain sanction of Government for the revision of the Bye-laws as

Subject -

Levy of enhanced Hotel license fee in Mandya Town

With reference to your letter No A 5 77/42-43 dated 30th July 1942, calling for a report together with the opinion of the Municipal Council on the petition presented to the Minister for Local Self Government in Mysore, by the Mandya Merchants' Association complaining that the enhanced license fees recent y given effect to by the Mandya Town Municipal Council were exorbitant, I have the honor to state that the matter was considered at the special meeting of the Municipal Council held on 7-8-42 The opinion expressed was that in view of the fact that Mandya is not a very big town and that the proposed fees were higher than in many of the Town Municipalities and even than those in Mysore City, the maximum license fee may be fixed at Rs 40/- per year and that there may be only three classifications as follows -

1 Hotels, Bakeries etc , situated in buildings whose rental value exceeds Rs 499/- per year License Fee - Rs 40/- per year

2 Hotels, Bakeries etc , situated in buildings whose rental value exceeds Rs 299/- but is less than Rs 499/- - Rs 20/- per year

3 All others - Rs 10/- per year

It was accordingly resolved that Government may be requested to sanction necessary modification to the Bye-laws sanctioned by G O No I [illegible] 43-67-6/M L 56-40-73 dated 25-11-41

I request that sanction of Government may be obtained to the modification proposed by the Municipal Council

Regarding the last para of Law Secretary's letter stating that orders enhancing the license fees may be held in abeyance, I may state that all the Bakeries and Meat Stalls had already renewed their licenses before this communication was received in this office Some of the hotels and coffee clubs had also renewed their licenses No action has however b en taken against those that have not renewed their licenses Further action will be suspended until orders of Government received in this respect

The Minister of Local Self Government and

Respectfully showeth

That the undersigned Hotel keepers of Mandya are hard hit by the C O No L 4367-68 M L (40-73) 56 40 73 dated 25-11-1941 directing enhancement of Hotel License Fee in the Mandya Town Municipality with effect from the current year

That for the reasons ennumerated below the enhancement levy is neither equitable nor conducive to the satisfactory working of the hotels

That almost all the petitioners entirely depend on this business for their subsistence and the enhancement ordered by Government in spite of the protest repeatedly made by them has greatly jeopardised their interests and it would be necessary for most of them to give up the business as they hardly find it possible to carry on the same against the present day odds

That the enhancement of the License fee has been put into operation and the petitioners directed to renew the licenses before the 15th July 1942

The petitioners therefore pray that the license fee may kindly be fixed on a more equitable basis with reference to the business transacted and pending decision of the question the present orders kindly held in abeyance

The humble petitioners pray that The Municipal Council may kindly be instructed to stay further proceedings till the question is finally settled

Grounds for Revision

1 Mandya town has come into prominance suddenly by the establishment by several new offices and the consequent influx of population The rents of buildings have therefore greatly appreciated and are unquestionably higher than those obtaining in other districts headquarters barring the cities of Mysore and Bangalore This fact is therefore no index of the magnitude of business conducted in the hotel and as such does not appear to be an equitable basis for the levy of license fee alteast in Mandya town

2 The high prices of all the food stuffs have already paralised the hotel keepers and the enhancement of license fee at this juncture would be a bolt from the blue

3 The Mandya Municipal Council have instal ed meters to water supply to the hotels a scheme that was not in force till recently and this has again rendered the position of hotel keepers very miserable

4 It is ascertained that no license fee is being levied on hotels in places like Shimoga and Tumkur which have been District headquarters from a pretty long time and it is a point of consideration whether the same system cannot be introduced in Mandya Municipal Council as well the Municipal revenue being levied however and recovered as professional tax consistantly with the volume of business conducted in the hotels
